ARUBA'S 5 FOR 3 IAP BUNDLE OFFER

Get 2 free Instant APs when you buy 3

For small and mid-size businesses, deploying a high performing, mobile first Wi-Fi network has been made simple and affordable with Aruba's Instant Wi-Fi solution. Aruba Instant access points are purpose-built for small and mid-size business and delivers advanced, enterprise-grade features into a simple, secure, easy-to-manage user interface.

For a limited time, customers can get 2 free Aruba Instant Access Points when they buy 3!

TOP 5 FEATURES	USER/IT EXPERIENCE
1. Up to 36% faster than competition at high density (IAP225 50 client downstream throughput testing) 2. Wi-Fi setup in minutes 3. IAP's can be setup as controllerless or with controllers 4. Business grade security and secure guest network access 5. Manage from the cloud with optional Aruba Central network management	• Jitter free videos and clear VOIP calls • Wi-Fi that simply works with all mobile devices • No extra licenses or mandatory subscriptions • Flexible architecture that grows with your business • Always-on scanning avoids performance-slowing interference • AppRF technology performs deep packet inspection and web content filtering • 100% investment protection to convert to controller-managed AP's
